

Pearltech UK Limited
Data Protection Policy
April 2021

1. Introduction

This Policy sets out the obligations of Pearltech UK Limited, a company registered in United Kingdom under number **09833975**, whose registered office is at 42 Ocean View Road, Bude, Cornwall, EX23 8NN (“the Company”) regarding data protection and the rights of its customers (“data subjects”) in respect of their personal data under EU Regulation 2016/679 General Data Protection Regulation (“GDPR”).

The GDPR defines “personal data” as any information relating to an identified or identifiable natural person (a “data subject”); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier, or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural, or social identity of that natural person.

This Policy sets the Company’s obligations regarding the collection, processing, transfer, storage, and disposal of personal data. The procedures and principles set out herein must be followed at all times by the Company, its employees, agents, contractors, or other parties working on behalf of the Company.

The Company is committed not only to the letter of the law, but also to the spirit of the law and places high importance on the correct, lawful, and fair handling of all personal data, respecting the legal rights, privacy, and trust of all individuals with whom it deals.

2. The Data Protection Principles

This Policy aims to ensure compliance with the GDPR. The GDPR sets out the following principles with which any party handling personal data must comply. All personal data must be:

- 2.1 Processed lawfully, fairly, and in a transparent manner in relation to the data subject.
- 2.2 Collected for specified, explicit, and legitimate purposes and not further processed in a manner that is incompatible with those purposes. Further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes shall not be considered to be incompatible with the initial purposes.
- 2.3 Adequate, relevant, and limited to what is necessary in relation to the purposes for which it is processed.
- 2.4 Accurate and, where necessary, kept up to date. Every reasonable step must be taken to ensure that personal data that is inaccurate, having regard to the purposes for which it is processed, is erased, or rectified without delay.
- 2.5 Kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data is processed. Personal data may be stored for longer periods insofar as the personal data will be

processed solely for archiving purposes in the public interest, scientific or historical research purposes, or statistical purposes, subject to implementation of the appropriate technical and organisational measures required by the GDPR in order to safeguard the rights and freedoms of the data subject.

2.6 Processed in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction, or damage, using appropriate technical or organisational measures.

3. The Rights of Data Subjects

The GDPR sets out the following rights applicable to data subjects (please refer to the parts of this policy indicated for further details):

- 3.1 The right to be informed (Part 12).
- 3.2 The right of access (Part 13);
- 3.3 The right to rectification (Part 14);
- 3.4 The right to erasure (also known as the 'right to be forgotten') (Part 15);
- 3.5 The right to restrict processing (Part 16);
- 3.6 The right to data portability (Part 17);
- 3.7 The right to object (Part 18); and
- 3.8 Rights with respect to automated decision-making and profiling (Parts 19 and 20).

4. Lawful, Fair, and Transparent Data Processing

4.1 The GDPR seeks to ensure that personal data is processed lawfully, fairly, and transparently, without adversely affecting the rights of the data subject. The GDPR states that processing of personal data shall be lawful if at least one of the following applies:

- 4.1.1 The data subject has given consent to the processing of their personal data for one or more specific purposes;
- 4.1.2 The processing is necessary for the performance of a contract to which the data subject is a party, or in order to take steps at the request of the data subject prior to entering into a contract with them;
- 4.1.3 The processing is necessary for compliance with a legal obligation to which the data controller is subject;
- 4.1.4 The processing is necessary to protect the vital interests of the data subject or of another natural person;
- 4.1.5 The processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the data controller; or
- 4.1.6 The processing is necessary for the purposes of the legitimate interests pursued by the data controller or by a third party, except where such interests are overridden by the fundamental rights and freedoms of the data subject which require protection of personal data, in particular where the data subject is a child.

- 4.2 If the personal data in question is “special category data” (also known as “sensitive personal data”) (for example, data concerning the data subject’s race, ethnicity, politics, religion, trade union membership, genetics, biometrics (if used for ID purposes), health, sex life, or sexual orientation), at least one of the following conditions must be met:
- 4.2.1 The data subject has given their explicit consent to the processing of such data for one or more specified purposes (unless EU or EU Member State law prohibits them from doing so); This is particularly associated with learning undertaken and supported by Government funding (namely, The Education and Skills Funding Agency)
 - 4.2.2 The processing is necessary for the purpose of carrying out the obligations and exercising specific rights of the data controller or of the data subject in the field of employment, social security, and social protection law (insofar as it is authorised by EU or EU Member State law or a collective agreement pursuant to EU Member State law which provides for appropriate safeguards for the fundamental rights and interests of the data subject);
 - 4.2.3 The processing is necessary to protect the vital interests of the data subject or of another natural person where the data subject is physically or legally incapable of giving consent;
 - 4.2.4 The data controller is a foundation, association, or other non-profit body with a political, philosophical, religious, or trade union aim, and the processing is carried out in the course of its legitimate activities, provided that the processing relates solely to the members or former members of that body or to persons who have regular contact with it in connection with its purposes and that the personal data is not disclosed outside the body without the consent of the data subjects;
 - 4.2.5 The processing relates to personal data which is clearly made public by the data subject;
 - 4.2.6 The processing is necessary for the conduct of legal claims or whenever courts are acting in their judicial capacity;
 - 4.2.7 The processing is necessary for substantial public interest reasons, on the basis of EU or EU Member State law which shall be proportionate to the aim pursued, shall respect the essence of the right to data protection, and shall provide for suitable and specific measures to safeguard the fundamental rights and interests of the data subject;
 - 4.2.8 The processing is necessary for the purposes of preventative or occupational medicine, for the assessment of the working capacity of an employee, for medical diagnosis, for the provision of health or social care or treatment, or the management of health or social care systems or services on the basis of EU or EU Member State law or pursuant to a contract with a health professional, subject to the conditions and safeguards referred to in Article 9(3) of the GDPR;
 - 4.2.9 The processing is necessary for public interest reasons in the area of public health, for example, protecting against serious cross-border threats to health or ensuring high standards of quality and safety of health care and of medicinal products or medical devices, on the basis of EU or EU Member State law which provides for suitable and specific

measures to safeguard the rights and freedoms of the data subject (in particular, professional secrecy); or

4.2.10 The processing is necessary for archiving purposes in the public interest, scientific or historical research purposes, or statistical purposes in accordance with Article 89(1) of the GDPR based on EU or EU Member State law which shall be proportionate to the aim pursued, respect the essence of the right to data protection, and provide for suitable and specific measures to safeguard the fundamental rights and the interests of the data subject.

8.4 There are various legal requirements and professional guidelines about keeping certain kinds of records – such as information needed for income tax and audit purposes, or information on aspects of health and safety. If an organisation keeps personal data to comply with a requirement like this, it will not be considered to have kept the information for longer than necessary. Exceptions to general principles are outlined in the SACL Data Retention Policy.

13. **Data Subject Access**

- 13.1 Data subjects may make subject access requests ("SARs") at any time to find out more about the personal data which the Company holds about them, what it is doing with that personal data, and why. A fee may apply which, if applicable will be publicised on the 25th May 2018.
- 13.2 Data subjects wishing to make a SAR may do so in writing, using the Company's Subject Access Request Form, or other written communication. SARs should be addressed to the Company's Data Protection Officer at dataprotection@learndirect.com. Postal requests should be addressed to James Cann (Data Protection Officer), SUBJECT ACCESS REQUEST, 42 Ocean View Road, Bude, Cornwall, EX23 8NN.

- 13.4 All SARs received shall be handled by the Company's Data Protection Officer.
- 13.5 The Company reserves the right to charge reasonable fees for additional copies of information that has already been supplied to a data subject, and for requests that are manifestly unfounded or excessive, particularly where such requests are repetitive.

14. **Rectification of Personal Data**

14.3 In the event that any affected personal data has been disclosed to third parties, those parties shall be informed of any rectification that must be made to that personal data.

15. Erasure of Personal Data

15.1 Data subjects have the right to request that the Company erases the personal data it holds about them in the following circumstances:

The period can be extended by up to two months in the case of complex requests. If such additional time is required, the data subject shall be informed.

15.3 In the event that any personal data that is to be erased in response to a data subject's request has been disclosed to third parties, those parties shall be informed of the erasure (unless it is impossible or would require disproportionate effort to do so).

16. Restriction of Personal Data Processing

16.1 Data subjects may request that the Company ceases processing the personal data it holds about them. If a data subject makes such a request, the Company shall retain only the amount of personal data concerning that data subject (if any) that is necessary to ensure that the personal data in question is not processed further (i.e. e-mail address, to ensure the e-mail is never used again).

18.3 Where a data subject objects to the Company processing their personal data for direct marketing purposes, the Company shall cease such processing immediately.

18.4 [Where a data subject objects to the Company processing their personal data for scientific and/or historical research and statistics purposes, the data subject must, under the GDPR, "demonstrate grounds relating to his or her particular situation".
